Principal: Rukhsana Sheikh BSc. (Hons), MA. Vice Principal: Mark Weatherhead B.Eng. (Hons), MA.

Why work at Ernest Bevin College?

Ernest Bevin College is a six form entry boys' school, maintained by Wandsworth Education Authority. The current role is 1,300 pupils, including approximately 380 in the co-educational Sixth Form. One third of the annual intake is selected by means of a general ability test. The college continues with its original specialisms in Sports, Maths & Computing. The college has recently been awarded STEM Assured status – one of only 4 schools in the country to achieve this. As a result, the college will aim to become a STEM hub which will open up a vast number of opportunities for our pupils and staff. The College was judged 'Outstanding' in our last Ofsted.

The College is led by the Principal, one Vice Principal, four Assistant Principals, four Senior Teachers and one Director of Finance and Administration. The College operates a Faculty system which is led by a member of the Leadership Team. Each Faculty supports and monitors pupil progress rigorously through our Quality Assurance Cycle. The Head of Year leads a team of tutors who are responsible for the wellbeing of their year. The ethos of the college is one of high expectations of behaviour and learning in conjunction with a warm, friendly and positive environment. The staff have many opportunities for social activities. There is a yoga class every week and access to our wide range of sporting, keep fit and swimming facilities all free of charge. There is also free tea and coffee throughout the day, a half termly staff quiz and a huge number of social events during the year.

The College has a highly stable and committed staff who have high expectations of themselves and their pupils and who work very hard to meet their individual needs. We like to look after our staff by providing support and training and a good environment in which to work. The facilities in subject areas are of a high standard with each classroom being equipped with an interactive whiteboard or Smart TV. All staff are provided with a surface tablet. Each new member of staff is supported through a comprehensive mentoring programme with a dedicated mentor. There is a tradition of staff having opportunities to be promoted internally.

The College buildings are of a very high standard, providing excellent facilities in all curriculum areas. We have recently refurbished our Science Laboratories and Food Technology room which reflect our desire for continuous improvements in our learning environment. The College opened its new £7 million Sixth Form Centre and Sports Complex in recent years, which has provided us with new Sixth Form accommodation, including a lecture theatre and common room.

We are extremely proud of the achievements of our pupils. In 2016: 59% of the Year 11 achieved both English and Maths, 34% achieved the Ebacc and the percentage of A* - C was 65%. These figures are above the national averages for boys. Our Sixth Form has grown steadily over the last 5 years both in terms of the number of students and their achievements. This year nearly 75% of our Year 11 have returned to our Sixth Form. Each year over 100 students go to university out of a cohort of approximately 150.

The college has a proven record of sporting success at local and international level. The sports facilities are of the highest standard and include a sports hall, a 25m swimming pool, a dojo (for judo) and a fitness suite. We work with Greenhouse and with 4 dedicated sports coaches training our pupils to compete at national and international levels in the sports of judo, table tennis, volleyball and rugby. We have just opened a Cricket Academy which will enable students to benefit from professional cricket coaching and a full programme of competitive matches alongside their studies. We are the only school in London to have gained a Cadet Combined Force unit (CCF) whereby the Royal Marines will be working with some of our pupils.

The English Department

We are seeking an enthusiastic and motivated teacher of English to join our very strong Department. The successful candidate will teach across the ability range at KS3 and KS4, with some possibility of teaching at KS5.

The English Department consists of 11 members of teaching staff. We have many extra-curricular activities and opportunities for students, including Film Club, BBC News Report, Book Club and theatre trips. We were very pleased with our GCSE achievements in 2016 whereby 68% of the Year 11 achieved a C and above at GCSE, which is 10% above the National Average

At KS3, students follow the new National Curriculum divided into 6 areas of study each year, including prose, poetry, media, non-fiction and Shakespeare. At KS4, students are studying AQA English Language and Literature. In addition, we offer GCSE Media Studies as an option course and in KS5 we offer AQA English Literature B and OCR Media Studies.

The successful candidate must have high expectations, show initiative, be creative and work within a team. The successful candidate must also have experience and personal skills to develop ongoing assessment, student tracking and to promote positive behaviour for learning.
