

## 6<sup>th</sup> Form Application Day – Monday 2<sup>nd</sup> July 2018

### Student brief-

Welcome to our 6<sup>th</sup> Form Application Day and well done for choosing Ernest Bevin College to provide you with an outstanding 6<sup>th</sup> Form experience.

The purpose of today is to give you an accurate and current taste of the subjects that you are choosing to study in 6<sup>th</sup> Form and then for you to enrol onto your preferred subjects having made an informed decision. You will also have the chance to meet other students who will be joining you in September.

The outline of the day is:

### Taster sessions:

You are to visit the subjects that you are thinking of studying next year, but are to choose no more than 3 subjects to visit as one of the 4 sessions is for you to complete your enrolment form. During each session, as well as the subject content and overview of the two years of study, teachers will highlight: the minimum grades required to be accepted onto the course, they will provide Bridging the Gap Work which must be completed over the holidays (if it is not it may harm your application onto your chosen course) and they will also identify what type of work you are likely to be completing in Year 12 (this is particularly effective in demonstrating the level of work you will need to work towards). Mr Clarke, our Head of Careers, will be available to speak about university and apprenticeships and offer advice in order to help you make the best decision for your 6<sup>th</sup> Form subjects.
