Table Tennis

In partnership with Ernest Bevin College

Greenhouse Sports is a London based charity committed to using sport to help young people reach their full potential.

Our coaches work full time in 49 schools and 4 community clubs to provide outstanding sports programmes that nurture life skills such as confidence, teamwork, self-discipline and more so our participants can aim higher and achieve more.

At Ernest Bevin College, students have been playing table tennis with Greenhouse Sports programmes since 2005.
